WELCOME TO WEST END UNIVERSITY COLLEGE

It is with great honour and deep appreciation that I welcome you to West End University College. As an institution committed to excellence, innovation, and societal impact, we take pride in shaping graduates who are prepared not only for today's opportunities but also for the evolving demands of tomorrow.

Our vision to be a leading private university that develops industry ready graduates through hands on teaching and applied research in business, health sciences, and information technology continues to guide everything we do. This commitment is reflected in our practical learning approach, strong industry linkages, and robust academic systems designed to ensure that every student who walks through our doors leaves equipped for real-world success.

At WEUC, we embrace diversity, encourage curiosity, and create supportive spaces where students grow academically, socially, and professionally. Our programmes are intentionally structured to nurture leadership, creativity, and ethical responsibility.

WEUC is a vibrant and dynamic community where potential is cultivated and futures are shaped with purpose. Students are continually challenged, inspired, and empowered to develop the knowledge, values, and practical skills needed to excel. Their resilience, dedication, and curiosity reflect the far reaching impact of the WEUC community across both national and global spaces.

Discover the limitless opportunities that define West End University College a place where innovation aligns with purpose and your success is championed by the entire community. Together, we are shaping visionary leaders whose influence will resonate across Ghana, throughout Africa, and around the world.

Prof. Ben Oduro

Rector, West End University College.

Brief History

West End University College (WEUC) was incorporated under the Ghana Companies Code, 1963 (Act 179) on 21st January 2010 as a limited liability company. The University is affiliated with the University of Cape Coast (UCC) and received its first institutional accreditation from the Ghana Tertiary Education Commission (GTEC) on 11th February 2011.

WEUC commenced academic operations with seven accredited programmes and has since expanded to offer fifteen undergraduate programmes across business administration, computing, education, and nursing. In line with its growth strategy, the University has further broadened its academic scope to include graduate programmes in business administration and education.

VISION

To be a leading private university that develops industry-ready graduates through hands-on teaching and applied research in business, health sciences, and information technology.

MISSION

To foster a multicultural and conducive environment for teaching, research, and outreach activities that cultivate innovative and responsible leaders equipped to respond to industry needs.

DEAN OF STUDENTS' AFFAIRS

Message to Graduating Students...

Dear Graduating Class,

I warmly congratulate you on reaching this important milestone. Your dedication, hard work, and resilience have brought you to this proud moment. Today, we celebrate your achievement and the bright future ahead of you. The Office of the Dean of Students' Affairs exists to serve and support students throughout their academic journey. We are a student-focused, accessible and friendly office committed to addressing student concerns and ensuring that every student feels welcomed and valued. Our goal is to create a safe and supportive environment where students can study smoothly and grow both academically and personally.

We also focus on building a strong campus community. Through student activities, leadership programs, counseling support and engagement initiatives, we strive to make every student feel at home. West End University

Dr. Ibrahim
Ofosu-Boateng

College is not just a place to study; it is a place to grow, connect and build lifelong friendships.

To our graduating students, thank you for being part of our story.

You have contributed to the life of this institution in many ways. As you step into the next phase of your lives, carry with you the values, knowledge, and confidence you gained here. Remember that you will always remain part of the West End family.

Congratulations once again.

We are proud of you and we wish you success in all your future endeavors.

NURSING DEPARTMENT

To the Class of 2025

At this 11th Congregation, I am incredibly proud of our department's progress. We have evolved into a premier training ground, combining advanced simulation with rigorous clinical experience to prepare you for the frontlines of healthcare.

Today, we transition you from students to compassionate, highly skilled nursing professionals. Whether as clinical experts or ethical leaders, you are now equipped to lead with heart and science. Go forth with integrity and continue to be the heartbeat of excellence in every life you touch.

Congratulations!

Rita Narkie Odonkor

FACULTY OF COMPUTER STUDIES

In an era defined by rapid technological advancement and digital transformation, the Faculty of Computer Studies at West End University College (WEUC) stands as a distinguished center of excellence, advancing innovation in computer science education, research, and industry engagement. Established in 2011 as one of the University's pioneering faculties, we have consistently championed academic rigor, practical expertise, and forward-thinking scholarship.

Our Faculty offers comprehensive undergraduate and professional programs in Computer Science and Information and Communication Technology, disciplines that focus on computational theory, software development, data systems, cybersecurity, networking, and emerging digital technologies that power today's global economy. Beyond our degree programs, we provide intensive, hands-on professional training in Data Analytics (Python/R), Cybersecurity, Cloud Computing, Machine Learning with Python, and Computer Networking. These industry-relevant courses are also open to the general public, fostering lifelong learning and professional advancement.

We adopt a student-centered approach that recognizes the uniqueness of every learner's journey. By integrating strong theoretical foundations with experiential learning, we ensure that our graduates are equipped not only with advanced technical competencies but also with critical thinking, leadership, and social entrepreneurial skills essential for success in today's competitive job market.

Dr. Alex Asante

Our state-of-the-art computer laboratories and high-speed internet infrastructure create a dynamic and supportive learning environment where innovation thrives. Through practical engagement, collaborative research, and real-world problem-solving, our students are empowered to develop transformative solutions that make meaningful global impact.

The Faculty of Computer Studies is where innovation meets impact, an institution of prestige and pride within WEUC. We invite you to join us and become part of a vibrant academic community shaping the future of technology.

FACULTY OF BUSINESS ADMINISTRATION AND SOCIAL SCIENCES

The Faculty of Business Administration and Social Sciences is a cornerstone of academic excellence at West End University College. The Faculty is dedicated to training competent professionals, ethical leaders, and innovative entrepreneurs who are equipped to respond to the demands of today's dynamic global environment.

Our programmes are carefully structured to combine strong theoretical foundations with practical and industry-oriented learning. The Faculty currently offers the following undergraduate programmes:

- ***Bachelor of Business Administration (BBA)*** with options in:
 - Accounting
 - Human Resource Management
 - Marketing
- ***Bachelor of Arts (BA) in Corporate Administration***
- ***Bachelor of Science (BSc) in Procurement and Supply Chain Management***

These programmes are designed to develop analytical skills, managerial competence, leadership ability, and entrepreneurial mindset. Students benefit from case-based learning, practical projects, research activities, internships, and engagement with industry practitioners.

Dr. Edmond Ofori

Graduates of the Faculty are well-positioned for careers in corporate organisations, financial institutions, public sector agencies, non-governmental organisations, and private enterprises. Many are also equipped to pursue professional certifications and postgraduate studies.

As we celebrate this year's graduating class, we proudly present a new generation of professionals who embody integrity, excellence, and service. The Faculty of Business Administration and Social Sciences remains committed to shaping leaders who will drive sustainable development in Ghana and beyond.

FACULTY OF EDUCATION

Education remains the cornerstone of the socio-economic and political development of every nation. However, the extent to which education can make the desired impact depends largely on the quality of its teachers. It is widely acknowledged that no educational system can rise above the quality of its teaching force. Without well trained, qualified, and committed educators, it is impossible to sustain an effective and functional educational system. Enhancing teacher quality through rigorous professional development is therefore the central mission of the Faculty of Education at West End University College.

The Faculty is committed to promoting transformative education an approach to teaching and learning that empowers learners to think critically, make informed decisions, and develop holistically across intellectual, social, emotional, and ethical dimensions. Through this approach, teacher-trainees are equipped to connect classroom experiences with real-world challenges and to inspire the same transformative mindset in the students they will teach after graduation.

Currently, the Faculty offers the following undergraduate programmes:

- *B.Ed. Early Childhood Education*
- *B.Ed. Basic Education (Primary and JHS)*
- *B.Ed. Accounting Education*
- *B.Ed. Management Education*
- *Diploma in Early Childhood Education*

In line with its commitment to academic progression and excellence, the Faculty has successfully secured accreditation from the Ghana Tertiary Education Commission (GTEC) to run the following graduate programmes:

- *M.Ed. Educational Leadership and Administration*
- *M.Phil. Educational Leadership and Administration*
- *M.Phil. Early Childhood Education*

The master's programmes are scheduled to commence in March 2026, providing our graduates and other qualified candidates the opportunity to advance their academic and professional development within the University. The Faculty is supported by seasoned, dedicated, and highly competent lecturers who are committed to mentoring students and sharing their rich expertise. We warmly invite prospective students to join us for a rewarding and transformative educational experience.

GHANA NATIONAL ANTHEM

God bless our homeland Ghana,
And make our nation great and strong,
Bold to defend forever
The cause of Freedom and of Right.
Fill our hearts with true humility
Make us cherish fearless honesty,
And help us to resist oppressors' rule
With all our will and might evermore.

Raise high the flag of Ghana,
And one with Africa advance;
Black star of hope and honor,
To all who thirst for liberty;
Where the banner of Ghana free flies,
May the way to freedom truly lie
Arise, arise, O sons of Ghanaland,
And under God march on forevermore.

Hail to thy name, O Ghana
To thee we make our solemn vow;
Steadfast to build together
A nation strong in Unity;
With our gifts of mind and strength of arm,
Whether night or day, in the midst of storm,
In every need whate'er the call may be,
To serve thee, Ghana, now and evermore.

SCHOOL ANTHEM

■ We leave to learn to work
that is what we're called to do
Our focus to maintain
Our purpose to attain
We will soar above the cloud like eagles
and in the sands of time
